Welcome to the I Am Green community. We are all here because we either live a green lifestyle, aspire to do so, or maybe are just inquisitive. Feel free to be yourself regardless of which group you belong to. In this community your "green-ness" is shown by the maturity of your tree. Grow your tree through your involvement in this community. You should start your I Am Green experience by [selecting your tree](#).

We are **298,442** Greens doing **4,939,081** Green things.
